I was born in the Wilcox Hospital in 1962, raised and continue to thrive in Anahola to this date. This would make me a local candidate of Hawaiian ancestry. I graduated from The Kamehameha Schools, attended the Oregon Institute of Technology in Klamath Falls, Oregon. While home for the summer, I applied with the Kauai Police Department and became a Police Officer at age 19. It was my goal to become the Best Police Officer that I could be to honor my father (KPD Sergeant Joseph H. KA'AUWAI, Sr.).

I have completed my Associate Degree in Police Science at the Kauai Community College, FBI training as a Composite Artist and other police related trainings to include Traffic Crash Reconstruction, Intoxilyzer Instructor, Laser and Radar Instructor, Standardized Field Sobriety Instructor, Verbal Judo Instructor, Surveyor Certified...on a personal level; Architectural Draftsman, Archeologist, Artist, husband and father.

At the end of this year, I will be retiring from the Kauai Police Department with 25 years of honorable service. I believe that I have several good ideas and have been a contributing, positive influence on the Police Department. I believe most of you appreciate my contributions of the traffic cones in Hanamaulu.

I am using this statement of candidacy to ask that you allow me to continue serving our community and represent you as part of the majority instead of the minority.

I humbly ask for your trust and vote.
